# Northbrook, Upland, & Collins

## Contemporary **Art.**

Pair the Northbrook lever with the Upland or Collins trim and the Collins decorative deadbolt to create a bold look that makes a statement in any contemporary space.

Inspired by the Bauhaus design movement, the Northbrook lever, Upland trim, Collins trim, and Collins decorative deadbolt bring a boldly modern flair to your home. Paired together, they stunningly complement even the most contemporary furniture and décor- bringing the modernist ideals of functional beauty and clean, geometric shapes to life in a way that's wholly unique.
